**WIRE FRAUD ADVISORY:** Wire fraud and email hacking/phishing attacks are increasing. Your transfer must remain secure as you have begun a closing transaction with our firm. If you receive an email containing Wire Transfer Instructions, **DO NOT RESPOND TO THE EMAIL**. Commonwealth Capital LLC will never email you wire transfer information. If you receive such an email, please call Investor Accounts, Ms. Mai Luu, (312)428-8288, to confirm our wire information. Please do not use any information provided in a wire instruction email that reportedly verifies our firm account information before sending funds.

**ALWAYS TEST A MICRO DEPOSIT:** To ensure a safe and secure transfer of funds, our firm recommends a micro-deposit of less than \$10 to the above account. You will receive an acknowledgment email from [mluu@commonwealthcapital.com](mailto:mluu@commonwealthcapital.com) confirming the exact amount of your microdeposit. With that confirmation, you will know your full deposit payment is safe.

### Important!

- Incoming funds will be credited based solely on the Account Number you provide. BE CERTAIN that you confirm that the Account Number is correct.
- Any error or incomplete information may cause the wire to go to the wrong person or be delayed, which could result in the loss of funds.
- Incoming funds may take 1 full business day before the funds are received from the sender.
